Appothetical protein T20010.200 - Arabidopsis thaliana
C;Species: Arabidopsis thaliana (mouse-ear cress)
C;Accession: T48009
R;Obermaier, B.; Outemwaelder, B.; Duchemin, D.; Zeitler, K.; Mewes, H.W.; Rudd, S.; Lemc submitted to the Protein Sequence Database, April 2000
A;Reference number: Z24484
A;Reference number: Z24484
A;Reference preliminary
A;Molecule type: DNA
A;Residues: 1-199 <OBES
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   probable regulator of pilE expression NWA0498 [imported] - Neisseria meningitidis (strair C;Species: Neisseria meningitidis
